information on the listing isn't up to date, we will try to claim it or do a public edit.

📄 Submitted: Listing may or may not have been present: If the listing was present, we may have done a public edit to update. If listing was not present, we have created the profile.

🕒 Pending: The listing is currently pending publication and is not live: Certain sources may be pending for a couple days up to a couple months. We check monthly with our safeguard program for pending listings and will contact the directory if too much time passes without it going live.

🕒 In Progress: Not yet submitted: Awaiting confirmation email from source to activate the business profile listing.
